

DOWNTOWN CAPITAL IMPROVEMENT PROJECTS

Coolidge Avenue Pedestrian and Bicycle Improvements (53541)

Location:

Coolidge Avenue from Main to Fourth streets

Project Overview:

This project is part of the efforts downtown to create a more pedestrian and bicycle friendly environment. The project includes installation of trees, widened sidewalk, curb, gutter, streetlights, intersection bulb-outs, pavers, street benches, trash receptacles and planters. The limits are Coolidge Avenue from Main Street to Fourth Street.

Schedule:

The design project began in April 2014. The design is currently at 70 percent completion.

Status:

Updated Aug. 3, 2016
